Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statement:

- (1) Cataplex GTF contains chromium, the essential trace mineral that helps to stabilize levels of blood sugar and lipids in the body.*

This statement is made for a dietary supplement containing a proprietary blend of bovine liver, nutritional yeast, dried buckwheat juice, buckwheat (seed), bovine pancreas Cytosol™ extract, inositol, l-cysteine hydrochloride, bovine adrenal Cytosol™ extract, and oat flour. Other ingredients honey, chromium yeast, niacinamide, ascorbic acid, calcium stearate, and vitamin A palmitate. And the name of the product is Cataplex® GTF.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
